

Paul Cartwright – Staff Member

After many years in the agricultural logistics industry, Paul has worked at Grantham College since 2002. He started as a maths teacher; spent four years as Curriculum Manager for English and Maths and now works in Dyslexia Support. Paul holds a Certificate in Education and a SpLd Assessment Practising Certificate and is a member of Patoss.

Paul is a strong advocate of Further Education and particularly the role it plays in improving the life chances of those people who, for various reasons, have previously struggled in education.
