Turn over for Distance Learning Courses

Distance Learning Courses

Overview

We run a huge variety of distance learning courses – where you learn at home or work instead of coming into college. Learning materials provided for you to access at home or work.

By studying through a distance learning course you don't have to put your life on hold to get the qualification you want. You will gain plenty of one-to-one contact and social interaction during the course to reassure you and get updates on your progression.

Who are Grantham College's distance learning courses for?

Distance learning courses are suitable for people who like to learn independently. They are able to set their own pace of study and choose where and when they want to study. Distance learning is useful if you want to gain qualifications from somewhere else in the world and don't want to travel.

FREE distance learning courses

The costs of distance learning courses at Grantham College are FREE. Although registration and non-completion fees do apply.
