Praise and Complaints Procedure

Grantham College & University Centre

A) RATIONALE

The Praise and Complaints Procedure is intended to bring matters of concern or good practice to the attention of the College, and enable investigation of those concerns with the aim of a satisfactory resolution. The procedure is an integral part of the College's quality assurance framework.

B) POLICY STATEMENT

The procedure aims to be simple, clear and fair to all parties involved, with informal resolution an option at any point. Complaints will be handled sensitively and with due consideration to confidentiality. Any person named in a complaint will be informed of the substance of the complaint and will have the right to reply as part of the investigation.

It is expected that, except in exceptional and fully documented circumstances, a complainant who wishes to make a complaint will invoke the Informal Stage in the first instance. In the event of a complaint not being resolved at the Informal Stage, the Formal Procedure may be used. The College will accept written statements of praise or complaint and will take appropriate action to disseminate and/or investigate the claim. Action will be taken where deemed necessary.

C) ENTITLEMENT

This Praise and Complaints Procedure is for use by students, potential students, employers, clients and the general public. No complainant bringing a complaint under this Procedure, whether successfully or otherwise will be treated less favourably by any member of staff than if the complaint had not been brought. If evidence to the contrary is found in this regard the member of staff may be subject to disciplinary proceedings under College policy. Any student making a malicious complaint could lead to disciplinary action being taken. It should also be noted that anonymous complaints cannot be investigated.

D) IMPLEMENTATION

The procedure is divided into two parts, an Informal Procedure, which emphasises resolution at the 'local' point where the complaint arose, and which may involve a member of the Senior Leadership team as facilitator of the procedure along with the relevant Head of Curriculum / Service Manager. The Formal Procedure is operated by a member of the Senior Leadership team within timescales that will enable complaints to be resolved as quickly as possible.

Informal Procedure

It is anticipated that most complaints can be resolved through informal means. Usually, problems can be resolved by explaining the situation and discussing ways forward. Resolution should be sought from the curriculum / service area in which the complaint arose, by expressing the complaint to the most appropriate member of staff e.g. the Student Mentor, Course Leader, Head of Curriculum / Service Manager. If assistance is needed to resolve complaints informally, a member of the Senior Leadership team can be called on by either party.

Procedure for Complaints regarding Student Accommodation

Students resident in the College accommodation who wish to complain about the student accommodation can make their complaint to the Accommodation Officer on duty, any member of the Accommodation team or the Vice Principal: HR & Student Services. All complaints made by student/s who are resident in the accommodation will be recorded in the Complaints Recording book held in the accommodation office. It is anticipated that most of these complaints can be resolved through informal means and actioned as appropriate and in a timely manner. If the member of staff who has received the complaint deems the complaint to be formal then the College's formal procedure must be followed as noted below.

Formal Procedure

If the response to the complaint under the Informal Procedure is not considered by the complainant to be satisfactory, or if the complainant does not feel able to use the Informal Procedure, he/she may invoke Part I of the Formal Procedure by either completing a Formal Complaints Recording form or alternatively submitting the complaint in writing to the Principal & Chief Executive. A member of staff will be able to assist with the completion of the complaints form if required. The Complaints Administrator (PA to the Principal & Chief Executive) will acknowledge receipt of the complaint within three working days.

Part I (Formal Procedure)

Part I of the Formal Procedure will comprise an initial investigation of the complaint by a member of the Senior Leadership team within 10 working days of receipt of the notification and the outcome sent to the complainant. Where necessary, this will be followed by a full response within one calendar month. If appropriate, the complainant may be invited to attend a hearing to consider the complaint. He/she may be accompanied by a friend or other representative. The decision notified to the complainant will set out the steps to be taken to remedy the complaint, or the reasons why the complaint has not been upheld. The timescales under this section may need to be extended during College vacations or when investigations are very complex.

The Complaints Administrator will keep all parties informed of progress and the reason for any delay in proceedings if applicable.

Part II (Formal Procedure - Appeal Stage)

If the response to the complaint following completion of the Part I procedure is not considered by the complainant to be satisfactory, he/she may invoke Part II (Appeal Stage) of the formal procedure by a request in writing and within ten working days of notification of the decision under Part I. The request should be addressed to the Principal & Chief Executive outlining why the outcome of Part I is not satisfactory.

Taking into account the substance of the complaint and the previous attempts at resolution, the case will then be reviewed by the Principal & Chief Executive who will provide the complainant with a decision in writing within one calendar month of receipt of the complainant's request under the Appeal Stage. The Principal & Chief Executive's decision will set out the steps to be taken to remedy the complaint or the reasons why the appeal has failed. The Principal & Chief Executive's decision will be final.

If, at the end of the Formal Procedure, the complainant does not feel that the problem has been resolved satisfactorily, he/she can complain to the Education and Skills Funding Agency.

Outcomes of the Praise and Complaints Procedure Complaints:

1. Should a complaint be upheld, the Principal & Chief Executive may make recommendations to the Head of Curriculum or Service Area Manager.
2. If a complaint is not upheld, the complainant will be informed in writing with reasons for its rejection.
3. Any conclusions and recommendations will be communicated in writing to the complainant and the Head of Curriculum or Service Area Manager.
4. Complaints will be monitored and analysed so as to identify any trends or issues relating to equality, diversity and inclusion and reported annually to the Standards Committee.
